SAIMIR ZEJNELI
FOUNDING DIRECTOR

Saimir founded the The Home Refurbishment Company back in 1998. Himself and the team are highly experienced in all aspects of complete residential refurbishment and top quality construction. After decades of providing exceptional design, supply and build services, no project is complete without complimentary feedback & client satisfaction. With added benefit of the sister company; 'Marble UK', who are a national supplier of stone, with three generations of family-owned quarries across Europe. Enabling the most competitive supply costs of materials, ever prominent in todays world.

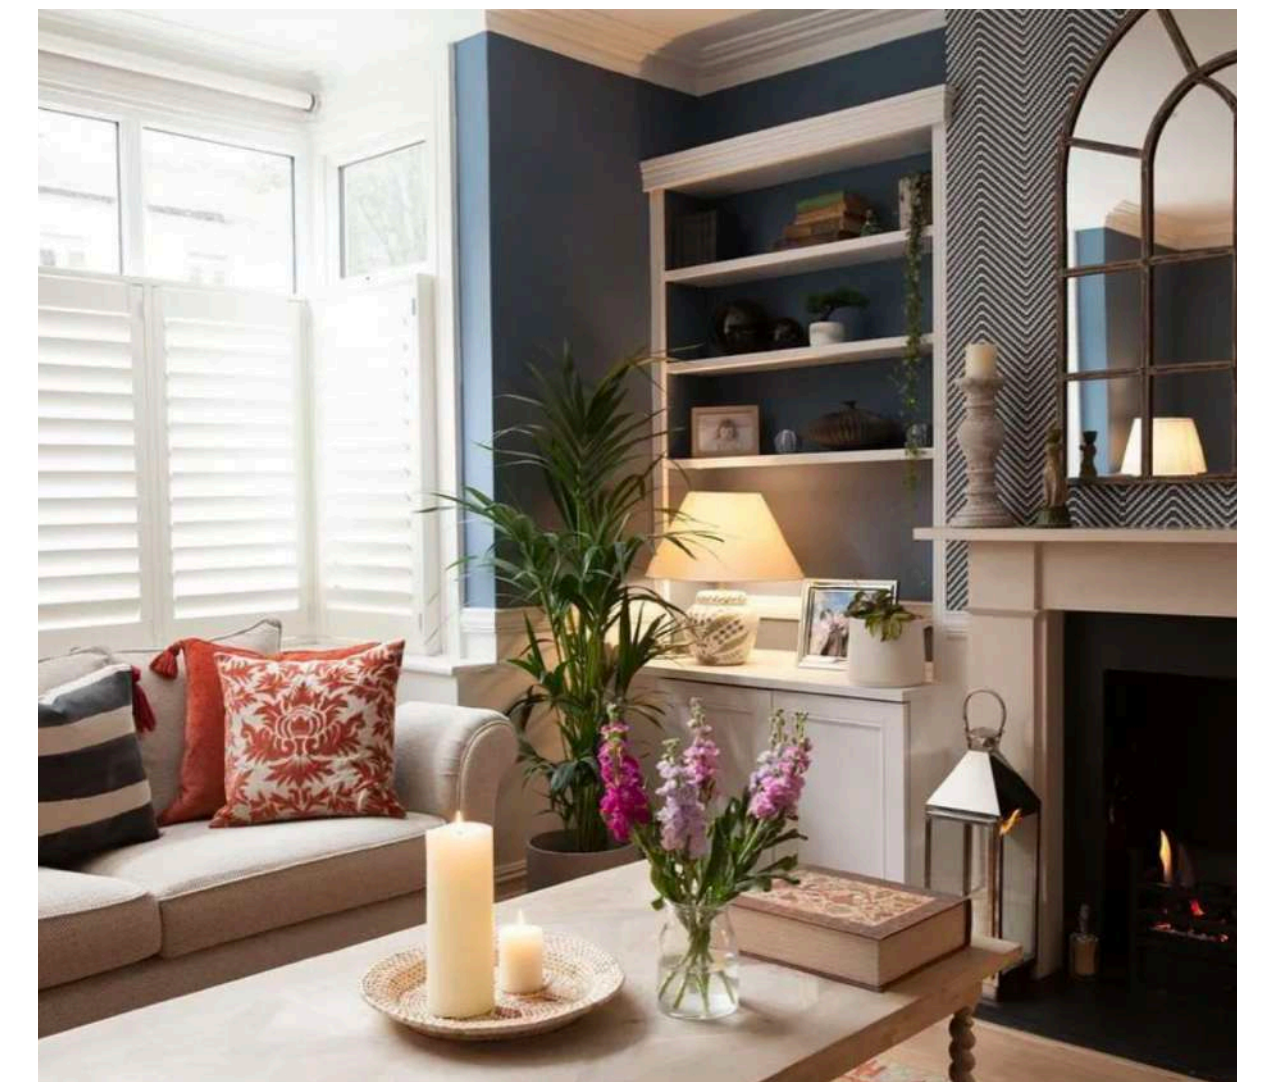

LILY CHARTERIS
INTERIOR / ARCHITECTURAL DESIGNER

Lily's passion for beautiful and innovative design is driven by the prospect of how well-informed interiors & clever space plannings are capable of having such effect on ones overall lifestyle & experience. Aiming to curate tailored yet timeless environments which boast an elegant authenticity throughout, ensuring out clients visions are exceeded in every aspect. Previous experience in interior architectural design and project management offers thorough consideration and meticulous planning throughout the whole design process, including financial & construction aspects.
